FIRECIDE and TURF-COTE

Material Safety Data Sheet

Emergency Phone: 1-281 879 0932

Page 1

Issue Date: 4/1/02

Product Identification:

Trade Name: TURF-COTE PLUS-turf colorant

Formula: Mixture of TURF-COTE and FIRECIDE with water

Toxicity Hazards: None Known

Health Hazard Data:

Over Exposure:

Can cause moderate to severe eye irritation. Prolonged or repeated contact with the undiluted product can cause moderate skin irritation, defatting and possible dermatitis. Swallowing this product may cause gastrointestinal irritation, diarrhea, nausea and vomiting.

Acute Effect

None Known

HMIS HAZARD Rating:

Health Hazard (0-4)	0
Fire Hazard (0-4)	0
Reactivity (0-4)	0

Hazardous Ingredients/Hazard Data

NONE

Health Hazard Data and First Aid:

By eye contact: Direct contact with eyes can cause irritation. **DO NOT RUB EYES. IRRIGATE WITH WATER FOR 15 MINUTES.** Seek medical attention if needed.

By skin contact: Rinse with soap and water. Prolonged or repeated contact of product with skin may cause minor irritation to some individuals. Seek medical attention if irritation develops or persists.

If swallowed: Ingestion of large quantities can cause gastrointestinal irritation, diarrhea, nausea and vomiting. **Drink plenty of water.** Seek medical attention if irritation develops.

Special precautions: None

Spill or Leak Procedures:

Clean-up with soap and water. Wash contaminated clothing before reuse.

Waste disposal: On site or in an approved waste disposal facility

This material is not considered hazardous.

Observe all Federal, State and Local laws.

Physical Data:

Appearance and Odor:	Green, mild to no odor
Flash Point:	NA
Extinguishing media:	Co2-Yes, Foam-Yes, Dry-Yes, Water-Yes
Special fire fighting procedures:	Wear SCBA with full facemask.
Unusual fire & explosion hazard:	None-will not support combustion
Incompatibilities:	None Known
Hazardous combustion or decomposition products:	None known
Bulk Density:	8.3 pounds per gallon
Water Solubility:	Yes

Storage and Transport:

Storage stability:	Stable at normal temperature and light conditions.
Special storage precautions:	Very stable under normal storage conditions when kept in closed, original container in a cool place. Keep from freezing.
Special transport/handling precautions:	Respiratory protection is not required. Chemical resistant gloves are required Chemical goggles for eye protection. Use common sense in work practices.

Use caution when opening sealed containers.

General Information:

Manufacturer's Name:	NaEx Corp.
Address:	P.O. Box 421177 Houston, Texas 77242 USA
Telephone:	1 281 879 0932
Chemical Name:	Water based acrylic colorant

**This product is for agricultural and horticultural use only and is not intended for other applications.
Read and follow all instructions provided on product and container labels.**
